

HARMONIC TEMPLE

Day workshop with
Nickomo and Rasullah Clarke.

SATURDAY 26th March
At St Paul's Church, Coronation Rd,
Southville, Bristol BS3 1AS

We will be singing Nickomo's four-part harmony chants which use mantras from different world religions or universal affirmations of wholeness. When these chants are sung by a group, the effect is both uplifting and healing as if you are in a living temple of sound.
